Dear Matthew Hardy

**HEDNESFORD NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION**

Thank you for the invitation to comment on the Hednesford Neighbourhood Plan.

Our previous comments remain entirely relevant, that is:

*“Historic England is supportive of both the content of the document and the vision and objectives set out in it.*

*The emphasis on the conservation of local distinctiveness and variations in local character through good design and the protection of locally significant buildings and townscape character including important green spaces is to be applauded. The excellent Design Guidance Statement at Appendix 2 will no doubt prove invaluable as a context and guide for future development”.*

Overall Historic England consider that the plan reads as a very well written, well-considered and concise document which is eminently fit for purpose. We consider that the Plan takes an exemplary approach to the historic environment of the Town and that it constitutes a very good example of community led planning.

Those involved in the production of the Plan should be congratulated.

I hope you find these comments and advice helpful.

Yours Sincerely
