Elizabeth Road Redevelopment Scheme - To approve the use of Compulsory Purchase powers to facilitate the Elizabeth Road Development Scheme.	Director of Service Improvement	Housing Cllr M Freeman	21 October 2010	In order to proceed with the Elizabeth Road Redevelopment Scheme it is necessary to acquire land which is in private ownership. Whilst a number of private sector land holdings have been acquired by negotiation, there are a small number of cases where this is not considered possible and as a result Compulsory Purchase action is required.	Residents living within the Elizabeth Road Area Redevelopment Scheme were consulted about the proposals via advice surgeries in November 2007 and since this time have been kept informed of progress via a number of circular letters.
